

Retired General David Perkins Appointed to Oshkosh Corporation Board of Directors

May 04, 2022 8:00 AM

OSHKOSH, Wis.--(BUSINESS WIRE)-- Oshkosh Corporation (NYSE:OSK), a leading innovator of mission-critical vehicles and essential equipment, announced today that retired General David Perkins has been appointed to its Board of Directors effective May 3, 2022. With the appointment of General Perkins, Oshkosh Corporation will have ten board members.

General Perkins retired from the United States Army in 2018 as a four-star general following 38 years of service, during which time he held various leadership positions and generated future requirements for all U.S. Army ground and air weapons systems and vehicles. His most recent position was the 15th Commander of the United States Army Training and Doctrine Command (TRADOC) where he oversaw the training of Army forces and the development of operational doctrine. Under his leadership, TRADOC developed the Army's concept of Multi-Domain Operations, which has become a driver for future change, not only in the U.S. Military, but around the world. Prior to commanding TRADOC, General Perkins was the 21st Commander of the Combined Arms Center and Commandant of the U.S. Army Command and General Staff College at Fort Leavenworth. In this role, he led the development and execution of the leader development strategy across the Army, management of the Army's training support and development enterprises, and development and integration of the doctrine that the Army used worldwide to fight and win the nation's wars.

"We are honored to welcome such a distinguished military leader to our Board of Directors. General Perkins' superior leadership experience and vast military expertise will enhance our Board and our ability to serve our customers," said Stephen D. Newlin, Chairman of the Board. "Additionally, his commitment to strategy and leadership will complement Oshkosh's focus on strategic innovation and growth."

General Perkins is a graduate of the United States Military Academy at West Point and holds a master's degree in Mechanical Engineering from the University of Michigan, as well as a master's degree in National Security and Strategic Studies from the Naval War College.

Forward Looking Statements

This news release contains statements that the Company believes to be “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact, including, without limitation, statements regarding the Company’s future financial position, business strategy, targets, projected sales, costs, earnings, capital expenditures, debt levels and cash flows, and plans and objectives of management for future operations, are forward-looking statements. When used in this news release, words such as “may,” “will,” “expect,” “intend,” “estimate,” “anticipate,” “believe,” “should,” “project” or “plan” or the negative thereof or variations thereon or similar terminology are generally intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond the Company’s control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These factors include cybersecurity risks and costs of defending against, mitigating and responding to data security threats and breaches impacting the Company; the Company’s ability to successfully identify, complete and integrate acquisitions and to realize the anticipated benefits associated with the same; and risks related to the Company’s ability to successfully execute on its strategic road map and meet its long-term financial goals; impacts of the conflict in the Ukraine, including impacts on supply chains, logistics, input costs, capital markets and demand; and the negative impacts of the COVID-19 pandemic on global economies and the Company’s customers, suppliers and employees.
