

Oshkosh Corporation Releases Fiscal Year 2018 Sustainability Report

Jun 03, 2019 10:03 AM

OSHKOSH, Wis.--(BUSINESS WIRE)-- Oshkosh Corporation (NYSE:OSK) a leading designer and manufacturer of specialty vehicles and vehicle bodies, released its sixth annual Sustainability Report, highlighting the company's strong commitment to operating its businesses in a sustainable manner. Our focus on sustainability continues to be a core strategy for the company, encompassing people, community, innovation, sustainable operations, an ethical culture and strong governance.

"I am proud of our team members and their continued dedication to deliver sustainable value, protect the environment and improve the communities where we live and work," said Wilson R. Jones, Oshkosh Corporation President and Chief Executive Officer. "Whether it's reducing energy usage and donating time in our communities or developing new and innovative products, our team members are driving sustainability."

Highlights from the Sustainability Report include:

- Reducing greenhouse gas emissions by 17% since 2014
- 47% of U.S. salaried team members hired in 2018 were of diverse backgrounds
- Team members volunteering more than 12,000 hours in communities where they live and work
- Being named one of the World's Most Ethical Companies for the fourth consecutive year

Oshkosh's focus on sustainability excellence also helped the company earn the title of one of *Barron's* "Top 100 Most Sustainable Companies" for the second consecutive year.
